

2015 Canadian Enneagram Conference

May 15-17 Toronto, Ontario, Canada

The Enneagram for Leadership, Liberation and Life

Communication styles are associated with abilities to lead, help and influence in the world today. The Enneagram is a methodology directly related to better understand why and how one acts and reacts in the world today. You have an opportunity to share with your colleagues as you learn about your own inherent communication and personality structure that is your automatic fall back that drives behaviour, thought and emotion.

The Enneagram describes 9 different groups of behaviours and characteristics, 9 different ways of seeing the world. It is a *physiological and spiritual, somatic* assessment tool that informs us of our dominant personality type and developmental path. It is a road map, a starting point to better understand our natural tendencies that influence how we think, feel, take action and show up in the world. This awareness leads to greater understanding, compassion, and acceptance of others and ourselves.

This May Toronto is the home of the Canadian Enneagram Conference. For a mere \$275.00 CDN, you can attend 3 days of conference activity with up to 50 different presentations that affect how we lead in organizations, understanding basic human interaction and understand how you present to the world in ways you may not have understood up until now. Speakers are internationally based along with those who teach, lead and inspire in Canada! This opportunity is open to all who are interested in better understanding your staff, peers, clients, co-workers and family.

The Enneagram has been around since the Desert Fathers (and Mothers) walked the earth. This system is transferable across cultural boundaries, politics and gender and is taught on a global basis. Come and join us as we deepen our way to influence the world we live in, the people we know or have somehow estranged and those relationships that we wish to grow and develop with an appreciation through knowledge and an open heart. May 15 – 17th, lunch included \$275.00 for the entire 3 days! Special rates for students/young adults.

**Invite your family, co-workers and those in your network! No one is excluded.
Previous knowledge of the Enneagram is not required to attend this conference.**
